MAJOR BRAND SPONSORSHIPS

Title Sponsorship

With your brand's name above ours, you will benefit most from news coverage and publicity of Balloon Fiesta, which each year amounts to millions in paid advertising in North America alone. This custom designed exclusive five-year sponsorship will help you achieve your goals for brand awareness, hospitality and product promotion on Main Street at Balloon Fiesta Park.

OFFICIAL SPONSORSHIPS

Official level sponsors enjoy the right to associate, promote and publicize with Balloon Fiesta. In some cases, category exclusivity is also available (except for balloon and hospitality tent sponsorships). It can also bring significant brand exposure before and during the event including but not limited to in-park signage, website link, full page in the Official Event Program and for event sponsors, inclusion in Balloon Fiesta's brochures. We work with our official sponsors to customize a sponsorship to their needs. But that's only the beginning – Need exhibit space? Want to play host to your clients or associates? Want to promote your product on Main Street? We can provide all of these opportunities and more!

Official sponsorships begin at \$30,000 and may require a multi-year commitment. Contact the sponsorship team for more details.

Session Sponsorships

Own the session, brand the session! We have 14 sessions from which to choose. Some sessions are already themed while others can be themed to match your brand. Session sponsorships are customized to your marketing goals and can include a combination of brand awareness, exhibit/display and hospitality. Investments begin at \$30,000 and may include signage, web link, full page in Official Event Program, hospitality, parking and entrance passes, display space and official event merchandise.

Balloon Sponsorships

This is our most popular sponsorship and a great introduction to Balloon Fiesta! Have your custom made banner placed on a balloon envelope – these are large enough to be seen by guests on the ground and also by media.

Sponsorship investment is \$6,000 (\$3,000 for 501c3 non-profits) not including banner production costs and includes a web link, balloon ride for two people, sponsor hospitality passes, weekly admission and parking passes and official merchandise. Don't worry if you don't know a balloon pilot – we do, and will find one for you!

Hospitality Opportunities
